Sorry about the delay in getting these spots to you. Your people were, on the whole, wonderful! And I really appreciate how quickly you were able to pull them together, considering our unreasonable deadline.

Look forward to working with you again.

Dear Sam,

Once again, many thanks for your help in casting the talent for the American Lung Association spot, "Get the Facts." Mother, Pamela Wood, and son, Phil Willis, were great! Pamela kept her frightened, shocked demeanor up throughout the shoot, while the mature Phil took direction like a pro and did a fabulous job playing the asthmatic son. We made it through the shoot in less than six hours, so, needless to say, we were pleased that everything went smoothly.

Thanks again for your coordination at the casting session. We appreciate your efforts and thank you for playing such an important role in the success of the American Lung Association PSA.

Regards,

Dear Sam,

As I mentioned to you on the phone the other day, the corporate film was a huge hit at the convention. We are all heroes at PinnFund. Thank you very much from John, Jacob, Reid and myself for a first class job. The film has a great look.

We were very impressed by you and the talent you provided for us. Everyone's professionalism was exceeded only by their superb attitudes. You all went above and beyond the call of duty and it shows in the production. We accomplished the impossible thanks, in great part, to you and your remarkable actors. I'll get a copy of the finished product to you as soon as I can. We look forward to calling on you again in the near future.

Please take our best wishes for the Holiday Season and a very prosperous New Year and pass them along to everyone. Trust we'll see you again soon.

Regards,

Darryl Regan
